Kakrapar Atomic Power Station	Surat	13
The Paper Products Limited	Vapi	03

SUCCESS STORY FROM AGIDTTR ALUMINI (ENGLISH)

My name is Anilkumar Rupabhai Bairya. I am from Mander Village of Limkheda Taluka of Dahod District.

The financial situation of my family was in worsened state. My family consists of four brothers and one sister. I am the eldest among them. To earn daily living I had to discontinue my studies in 11th standard and had to do labour work with my parents. Many times it was difficult to get food for us and the ever increasing prices were adding fuel to the fire of our financial crunch. I wanted to do some better job but due to my low educational background I could not find a good job.

One fine day I came to Fatepura village of Dahod district to do labour work. One of my friends residing at Fatepura gave me information about AGIDTTR. He told me that minimum qualification for driving and personality development course is 8th Standard. From my friend I took the contact number of this institute. I called up the institute and enquired about admission. I took admission in 35th batch.

When I reached at AGIDTTR, I was happy to meet the cooperative staff of the institute. I liked the clean and well maintained rooms of the hostel, hygienic and tasty food served at the canteen. The well structured driving theory and practical training trained me as an expert driver. Apart from driving theory and practical I also learned English and basic technical aspects of the vehicle. I enjoyed playing cricket. I was guided for resume preparation and trained for interviews.

After the completion of course, I was placed at M/s Viralkumar Transport Company based at Anand. I am getting salary of Rs. 6000 and free stay. Apart from salary I fetch Rs.2000 extra in the form additional duty.

I am grateful to this institute as it had turned me from an uneducated laborer who had to struggle daily to a high morale well earning person. This institute has changed my life. I wish that this institute continues to work in the same way. I request all my tribal friends to join this institute.

GOOD BYE AND SEE YOU NEXT MONTH
